

Special Interest Groups Form

The purpose of this form is to find out whether we have groups of women who have a shared interest, and would like to meet on a regular basis. By completing this form, you are not committing to anything; rather, each group of moms will receive an email from our Registrar, Nicole with contact information. It will be up to each group to determine how and when to meet.

Please mark each group that interests you!

_____ Scrapbooking (*Mommy's art time*)

_____ Running (*Mommies in Motion*)
